

Dear Parent/Guardian,

CONGRATULATIONS! Your child has been selected to represent Portfields School in this year's Cross Country Championship qualifying event.

As you are already aware, the qualifier for this year's Milton Keynes Cross Country Championship takes place at the end of this week on **Saturday 13th November 2010** at the **MK Bowl**.

All of the children involved in the Portfields Cross Country squad have trained extremely hard so far this year. They have been trained to race their expected distances (and further), therefore they are being prepared for their particular race. I am sure all children involved will try their very best in the race.

You will receive details for this event on Wednesday, including race times, event rules and things your child will need.

Finally, I would like to say how proud I am of the children that have been training for the Cross Country Championship. The children have been training three times a week, including some lunch times and in all types of weather. I really appreciate their efforts. The children could not have trained harder or have been as committed so far this year, so they deserve to do well. Your child is certainly part of a talented group of children! I would like to say a big 'THANK YOU' to your child for all their hard work and to you for your continued support.

If you have any questions, please do not hesitate to contact me.

Thank you for your support,

Mr J Cursley

PE Coordinator

Name: _____

Class: _____

I understand that my child has been selected for the Portfields' Cross Country squad and will be attending the qualifying event on **Saturday 13th November 2010**.

I confirm that I can transport my child to this event.

(If you have problems with transport, please do not hesitate to see me as alternative arrangements will be made)

Signed: _____
