FUN MATS FUND RAISING

Dear Parents

We are pleased to offer you the opportunity of purchasing items made from your child's artwork. These are quality hand made products and make special presents.

This week your child has completed a design for a fun mat. This design can be turned into a range of items, such as a mouse mat or an art print, which are available for you to purchase. Please see the attached order form. Samples of the types of items which can be produced will be on display in reception.

Your child's personal design has been sent home with your child today. We ask that designs are returned the following day or as soon as possible and are looked after carefully so they do not become creased, as this affects the quality of the finished product.

Should you wish to purchase a product with your child's design please complete the order form, which you should have received with this letter and the full payment. (Cheques please to Portfields School).

Please do not write your order on the drawing frame. Completed orders need to be returned to school at the latest by Wednesday 12 May.

We have arranged for orders to be delivered by the **18 June**.

Your support is appreciated.

Miss P Harrington
