

25 March 2011

Dear Parents

Just a few updates:-

TEAMSUPERSCHOOLS:

We raised a fantastic £6,337.65 from this event! A significant proportion of funds go towards supporting Sport in England. Many thanks to Gymnast, Ryan Bradley who gave a superb exhibition of his talents; the children were mesmerised by this (as were the Staff!). Thank you for your tremendous support in helping Britain's Sports people.

RED NOSE DAY:

We raised £407.00 for this good cause.

SAFETY:

Despite signs displayed asking children not to climb on the wall or railings by Reception, especially after school, children are continuing to do this and one of the railings has become displaced. This has now been repaired but obviously this is a safety issue. Could I ask you to remind your children about this please. Please also be aware of this when collecting from after-school activities and "Kids Play". Thank you.

PARENTS' EVENINGS:

It was uplifting to see you all at the recent Parents' Evenings.

We have all enjoyed the recent sunny weather and look forward to it continuing! It is helpful if children have a named cap/hat to wear in the sun.

Thank you for your support.

Yours sincerely

MARY ST-AMOUR
Headteacher
