

9 September 2011

Dear Parents

Welcome back to a new school year; I hope you had an enjoyable Summer. It was really good to see the children on Wednesday, and I am pleased to say that they have settled well. We look forward to a successful and enjoyable term, and indeed School year.

**STAFFING:**

I would like to welcome several new members of Staff:

Mr R Ryan: Year 5 teacher, Mrs J Heaton: Receptionist/Office Administrator, and Learning Support Assistants: Miss R Scott, Miss V Willis, Miss A Vaux, Miss M White and Mrs L Bangash.

**UNIFORM:**

The children look smart in their uniform. Once again, I cannot emphasise enough how **essential** it is that all items of clothing, including shoes, are named. As well as official labels, it is possible to buy permanent pens to mark, or a biro will suffice in the short term. Please help us avoid the mounds of unclaimed clothing which amassed last year. Thank you.

**PHOTOGRAPHS:**

Individual and school family photographs will be taken on Wednesday, 21 September.

**MUSIC FEES:**

For those parents who have given post-dated cheques for peripatetic music lessons, please note that these will be paid into the bank by Thursday, 13 September.

**PARKING:**

When dropping off, and collecting your children, please park responsibly. It is illegal and dangerous to park on the zig-zag lines and the roundabout, as well as the loading bays for the Co-operative Store.

**CASH MACHINE:**

I have been advised by the Police to inform you that the cash machine adjacent to the Co-op has been tampered with, which may have resulted in gaining people's bank details.

Thank you for your support.

Yours sincerely

MARY ST-AMOUR  
Headteacher
