

Dear Parents,

FRONTER LEARNING PLATFORM

Our school Learning Platform, Fronter, has been in operation for some time now. It has been a huge undertaking for both staff and children and we are very proud of everyone's efforts in making it such a success so far.

We would now like to get some feedback from you to identify the steps we need to take next to build on our achievements so far. We would be grateful if you would take a few minutes to fill out the attached questionnaire to assist us with this.

On a separate note, may we thank you for the Tesco Computers for Schools vouchers you have sent in to school so far. We are hoping to use these vouchers to purchase further ICT equipment which will benefit the whole school. If you have any remaining vouchers at home, please make sure that these are sent in to school by 10th June as we do have a deadline for posting vouchers.

Many thanks for your support,

M. St-Amour
Headteacher

V. Koletzki
ICT Co-ordinator
